## 2017 41<sup>st</sup> BC Elders Gathering in Campbell River

For more than 4 decades, The First Nations Elders have gathered around to meet in distinct locations all around mainland BC and Vancouver Island.

This years 41<sup>st</sup> annual Elders Gathering was hosted in Campbell River, BC at the Strathcona Gardens Recreational Center where approximately 3,000 attendees from different nations from all over British Columbia came to visit, exchange memories and knowledge, to create new friendships and renew old ones. The annual gatherings help give an opportunity to increase point of view on how other First Nations live. Although small, Nuchatlaht Tribe walked among several neighboring tribes. We hope more of our members are available to attend Elders Gathering events in the future.
